CADBURY FARM
RULES AND REGULATIONS

Helmets:
A rider must wear properly secured ASTM/SEI F-1163 protective headgear at any time while mounted on a horse on stable premises. No exceptions.

Tack/Equipment:
Please store tack/equipment in your trailer for the duration of the clinic so aisle ways stay clear. Do not use the tack room for storage unless you board your horse at Cadbury Farm. Horses who crib or wind suck must wear an effective cribbing collar at all times when stabled.

Arena:
Lunging and warm up under saddle are allowed at the outdoor end of the arena 15 min. before your ride time. We take pride in the arena footing, so please help keep the sand manure-free—here's a rake and muck bucket outside the arena doors. Also, please clean up any manure, hay, and other debris dropped on the gravel.

Stalls:
Bring your own water and grain buckets. Stalls will be cleaned daily. We provide initial bedding in stalls. Additional shaving pellets cost $7/bag. Leave cash or check to Cadbury Farm in secure black box in the feed room. The stall mats are of excellent quality and provide the necessary cushion for horses to lie down. Dutch doors (top included) must remain closed at all times. No shavings allowed in the two outside paddock stalls.

Dogs/Smoking:
Sorry, but dogs and smoking are not allowed on the property at any time.

Wash Stall:
To prevent clogging the drain, first pick your horse's hooves and sweep the floor BEFORE removing the drain plug to bathe your horse. Please squeegee the floor when you are finished. Not bathing? Sweep up all debris after grooming.

Cross Ties:
There are four sets of cross ties in the barn. Be sure to sweep and dispose of all debris before leaving the area, even if you intend to use them again after you ride. Securing a horse to a fence or other non-cross tie location is prohibited.

Horse Trailers:
Horse trailer parking is available. Promptly pick up from the grass or gravel any manure, hay and debris by your trailer, including trailer shavings. Please use a hay sling, available in the feed room, to carry hay for your horse to the barn.

Emergencies:
Contact management immediately if you see an emergent situation for any reason. If you cannot locate a manager, use the contact sheet posted in the feed room to reach the appropriate owner or professional. In the event you need to call 911, the farm property information will also be listed on this sheet. Horse insurance information is also on the board.

I have read and agree to the current Rules and Regulations.
